

Fall bus schedules for the School District of Fort Atkinson have been announced by Double 3 Transportation INC. Bus service will begin on the first day of classes, Tuesday September 4, 2018. If you have just moved into the area and need to arrange transportation for your children, call Double 3 Transportation at (920) 563-3652.

Students should be at their pick-up locations at least 5 minutes before the bus is scheduled to arrive. Students should wait at the road shoulder or side walk until their bus comes to a complete stop or wait until your driver motion's you across. All students are expected to follow the rules for safe bus riding that are posted in each bus. Students are also required to participate in bus evacuation drills, sit in assigned seats and follow directions given by your driver. Any student that wants to bring a friend on the bus or get off the bus at a stop other than his or her own address, must have written parental permission.

If there is inclement weather and the buses are running, it is the parent's responsibility to decide if their children are going to ride the bus. If you are not sure there is going to be school due to inclement weather, Fort Atkinson School District will make announcements to local Radio and TV stations of school closings starting about 6:00 AM.

All buses will have a picture of an animal in the window for the first two weeks of school located next to the bus number. The following times are approximate and could change due to last minute additions or deletions of students. Within two weeks, your bus route should be on a regular schedule.
